

THE DEFINITION OF GRACE

Very few of My children really trust Me or depend upon Me. I have mountains, and endless mountains of Grace stored up that I have never touched because I have found very few who will open their hearts through faith to receive My Grace. Do you really want to know what Grace is? Listen and I will give you a new and a different definition of the Grace of God.

Grace is you letting Me do what I want to do in this earth through you.

It requires you being absolutely still, unmovable in your decision to wait upon Me to bring about the desired results. The ideas, the hopes, and dreams that are inside of you are not yours. They originated in Me. That is, within My Spirit within you. It is not your job to bring them to pass. It is your job to be a vessel for My Grace.

Not one of you can make anything happen that will be solid enough to stand up under pressure. This is the reason you experience so many ups and downs. You are trying to stand on the firmness of the flesh rather than on the solidness of the Rock. You do fair until the storm hits but then you are right back where you started. You need to be emptied of human efforts, the cares of daily living, and all fleshly frustrations. But, you see, even this must be done by My Grace. Effort cannot eradicate effort. Frustration cannot get rid of frustration, and care cannot eliminate care.

But Grace can rid you of all hindrances, and you will find as Grace begins to flow that it will generate more Grace and more Grace and more Grace, and more and more Grace, and more Grace until you have become that channel for My Grace. A never ending flow of power, which is what My grace is, will flow through you, and the result will be that My desires, hopes, dreams, and ideas will be birthed through you at no cost to you, with no effort on your part, and I will be glorified upon this earth, and you will have the privilege and honor of sharing in and being a joint heir in that glory.

My Grace is available to you today. Come unto Me all ye that labor and are heavy-laden, and I will give you rest.
