

New Creature Confessions

Father, in the name of Jesus, I thank you:

I am who you made me to be.

I'm not trying to become. I am just being.

I don't have to become. You made me.

I am not an evolutionist. I'm not going to evolve into a Christian.

I'm a creationist. You made me a new creation.

What I am, you made me, in a split second.

I didn't evolve into it. You made me it.

I am a new creation. Old things are passed away.

Behold, all things have become new.

And all things that are new, that are in me, are of God.

I'm a new creation.

I have the mind of Christ. I have the Spirit of God.

I have the Word of God. I have the power of God.

I am anointed. I am absolutely filled with the Spirit of God.

I speak to myself. I encourage myself.

I build myself up by speaking to myself.

Every day I command my body to do its job.

Every day I tell my body what to do.

It doesn't tell me. It's not in control. I'm in control.

My spirit tells my body what to do.

My spirit tells my mind what to think.

I say, "Soul, bless the Lord and forget not all His benefits. Who forgives all my iniquities.

Who heals all my diseases."

I am forgiven and clean before God.

I am righteous, healed, saved, delivered, prosperous, and walking in the knowledge of God. AMEN!
