

Children Of Light Confessions

I am light. I am a child of light.
 I am righteous. I am holy.
 Jesus set me free.
 He made me free. My birthright is freedom.
 My identity says I am free from sin right now.

I have the ability to put off the old man and walk in the new man.
 I was translated out of the kingdom of darkness into the Kingdom of His dear Son.
 I was darkness, but now, right now, right now you are looking at light, because I am a child of light, and on the inside, I am beautiful.

I am not looking for a root. Jesus dealt with the root.
 He made me free from all bondage. And it is the truth that I will believe and obey and walk in freedom, because sin has no dominion over me.

My past has no dominion over me.
 My experience is not truth. God's Word is truth.
 It doesn't matter how many times I have failed. I will get back up. I will square my shoulders, and I will say that I am free from sin.

I am a child of light.
 I am holy. I am born from above.
 I will put off the old man.
 I will not let my past and I will not let failure dictate my future.

Today, right now, I make a decision to reckon myself dead to sin and alive unto God.
 When I am tempted, I will worship God and thank Him that He has given me all grace to resist, all grace to be obedient, all grace to listen to my conscience, because I am free.

I am pure. I am righteous. I am holy.
 I am a good tree. I will produce good fruit.
 Any bad fruit that is still on my limbs, I will put it off.

I will cleanse myself from all filthiness of flesh.
 I will purify myself just like He is pure. I purify myself.
 I purify myself by obeying who I really am: a child of light, a child of holiness, a child of purity.

God loves me. He loves me.
 He is Good, and I am just like Him, so I am good.
 He made me like Him.
 Adam and Eve were created in the image of God. They were just like Him.
 I am created in that of Christ, so I am just like Him.

I will grow to the full stature of the fullness of God in me through Jesus. But along the way, I will make no excuse.
 I will make no justification for sin or for failure, because I don't have to sin, because I am a child of life.
 Father, I bless You. I worship You. Thank You, Father, for Your grace and Your mercy.
