

## **Handout For Sunday Evening Service April 18, 2021**

### **Confession of the White Robed Person**

“I am \_\_\_\_\_ (insert your name), son of God. My body is my earth suit. I have to have it in order to live. I do not take instruction from my body. My body takes instructions from me. I am fully aware that my body will do anything that I let it do. But I don’t let my body do everything it wants to. I am \_\_\_\_\_ (insert your name), son of God and Him only do I serve.”

### **Revelation from the Holy Spirit:**

“There is no need for your flesh to fall off of you like a robe if you already have it hanging on the cross.”

I should be walking as the man robed in white on the earth, the same way I am the man robed in white when I approach my Father’s throne.
