

Recoding The Brain – Part 18

(The Renewed Mind)

When the mind is renewed to the truth of God's Word, your actions change. The results of your actions are going to change. Everybody does what they really believe. For many years, I "tried" to believe that I was free from smoking cigarettes. I was "trying to believe the word," but what I really believed was the circumstances because the withdrawal symptoms would convince me I was not free. It is the same with any addiction, pornography, drugs, alcohol, etc. In those days, I believed what my body told me, more than I believed the word of God.

Recoding the brain is so important because the end result is a renewed mind so that we are no longer conformed to this world. We will come to the place that we really believe what the Bible says. When you really believe it, you will act on it. When we act on it, God will act on it. He confirms His word with signs following.

A renewed mind is more than just having knowledge. A renewed mind bows the knee to that knowledge. It humbles itself and acts on the truth. This teaching series has been on the subject of recoding the brain, and how it takes place. The goal, the end result we are desiring is to believe the truth! Jesus is the truth. The next series will be titled, "Believing Jesus."

Years ago, while I was preaching a service at the Family Prayer Center in Tulsa, I saw Jesus walk through the wall and come stand right beside the pulpit where I was standing. I had my Bible open on the pulpit. Jesus placed His finger on the Bible and said, "I want to be believed." When we believe what He believes ... that is faith!

Matthew 4:4 KJV But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.

Adam had a rhema word from God. "Do not eat the fruit of that tree." Adam did not live by the rhema word God spoke to him. Jesus did! And Jesus is our prototype.

Let's look at one of the most consequential results of recoding the brain that has ever happened. It is normally referred to as "brainwashing." Before WWII, Germany was known as a Christian nation. The Protestant movement was started by Martin Luther, a German. For centuries Germany was known as a Christian

nation. But somehow, the devil was able to turn a Christian nation to do his evil bidding, primarily through the work of a single man, Adolph Hitler.

Through brainwashing (recoding the brain), the devil was able to turn a Christian nation to the point they thought that exterminating the Jews through mass murder was a good thing. That process fascinated me. I used to study it so much and watch so many DVD's of it that one day Sue said, "You need an all-Hitler all-the-time channel." Ha! But my study paid off as I learned how Satan did it.

Sue and I have been to Auschwitz and Birkenau in Poland. We saw the murder wall where they would just line up rows of Jews to be shot, day after day. We have seen the gas chambers in both Auschwitz and Birkenau. And we have seen the crematoriums in both places. Auschwitz is much smaller. That is where they practiced until they really knew how to commit genocide efficiently.

Auschwitz is where they learned how to do it. Birkenau is where they really did it in a mass way. They had several gas chambers there that could hold up to two thousand Jews at a time. The Jews thought they were going to get a shower, but what they got was death by the use of Xylon gas. There is a scene in the movie, "Schindler's List" where it appears to be snow falling when they are at Birkenau, but it was really the ashes of humans coming from the smokestacks of the crematoriums that ran night and day.

Recoding the brain with truth uses the same principles as brainwashing the masses to do evil by Hitler in Germany during World War II. Germany was a Christian nation. How do you program a Christian nation into believing it is the right thing to do to commit genocide on the Jews, the people God had chosen for Himself?

At Auschwitz, I have been to the building where Doctor Joseph Mengele performed horrific experiments on children, twins, and others. They were injected with drain cleaner and all sorts of chemicals to see what the reaction in their bodies would be. Some had their leg bones removed and replaced with wooden bones to see if that might be a possible treatment for wounded soldiers. And all done without anesthetic. Can you imagine the screams that would come out of that place?

Right across the street from that building is a swimming pool and some picnic tables where the German soldiers would eat their lunch, perhaps take a swimming break ... within earshot of those screams. Perhaps they ate a roast beef sandwich

after having committed some vile act of torture, or even executing some of the Jewish people themselves. Torture, kill, and then go have lunch.

How do you recode the brains of so many people? How do you brainwash a whole nation of people to do evil like that and think it is the right thing to do? Jesus said to the Pharisees,

John 8:41,44 KJV Ye do the deeds of your father. Then said they to him, We be not born of fornication; we have one Father, even God. [44] Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

These people had been brainwashed, recoded to think with the thoughts of Satan. And it began, primarily, from the thoughts of one man ... Adolph Hitler. How did Hitler do that? He established a whole department of propaganda. Joseph Goebbels was the head of that department. They didn't have the internet then, but they did have radio, movies, magazines, and newspapers.

Hitler put Joseph Goebbels in charge of propaganda in order to reprogram, brainwash, recode the brains of the German people. In order to get these so called "Christian" people to do the evil that was done, Hitler knew their brains had to be recoded. These same people grew up in church singing hymns! It would take massive recoding to move them away from their Christian traditions.

They used the media available to them to constantly send out propaganda that said the Jews were not even human, that they were descended from apes, that all of the problems of the world were because of these greedy, filthy Jews. They programmed them with movies that portrayed them as rats and cockroaches. Over and over again, on radio, in movies, in magazines and newspapers they relentlessly sent out their propaganda to recode the minds of the German people.

Joseph Goebbels was in charge, and he did a really good job. He was so effective at propaganda; I think it would be wise to look at some of his quotes.

"Make the lie big, make it simple, keep saying it, and eventually they will believe it." - Joseph Goebbels

What if we turned that around to recode our brain with the truth of God's word? Make the truth big. Make it the biggest thing in your life. Keep it simple. Keep saying it and eventually you will believe it. God did that with Abraham and Sarah. He changed their names so they could only say what God said about them. They kept saying it. They kept saying it. Eventually ... they believed it, and the miracle happened!

"It would not be impossible to prove with sufficient repetition and a psychological understanding of the people concerned that a square is in fact a circle. They are mere words, and words can be molded until they clothe ideas and disguise." - Joseph Goebbels

We better pay attention because Joseph Goebbels was so effective he recoded an entire nation to do the bidding of the devil, and he did it with propaganda. Some people might think that is ridiculous, that nobody would ever believe that. I would answer, have you ever heard of the holocaust? Through continuous repetition, they were reprogrammed to the point they did Satan's bidding because of the propaganda of Joseph Goebbels. He actually convinced a nation that murdering Jews was no different than using bug spray to kill insects. Here is another quote from Joseph Goebbels.

"Think of the press as a great keyboard on which the government can play." - Joseph Goebbels

When he says "the press" he was referring to what they had available to them at the time; newspapers, magazines, radio, and movies. The media. We have all of that and much more. This man was assigned the task of recoding the brains of an entire nation. And he was successful. He was basically saying, if you control the media, you can control the "music" that is being played. The propaganda that was being preached.

Most of us are still allowing too much of the media from the world to influence our thinking. I think a lot of that will simply stop when our attention is focused on the little children who receive their sight when we lay our hands on them.

"You can't change the masses. They will always be the same: dumb, gluttonous and forgetful." - Joseph Goebbels

God says His people are destroyed for a lack of knowledge. Joseph Goebbels' interpretation of that statement is ... they don't know the truth. They are easily manipulated. He considered them to be blank slates that he could write on.

Goebbels understood human nature. Gluttony is all about self and self-gratification. He understood that mindset and he convinced the German people that ridding the world of the Jews would make life so much better for them. He convinced them that the Jews were the cause of all the problems in the world, including all the wars. The Jews were why the interest rates were so high. In the newspaper, on the radio, in the movies ... everywhere and all the time ... the propaganda was relentless.

And he knew mankind was forgetful. Goebbels knew he had to refocus their attention so they would forget all they learned from the Bible about the Jews being God's chosen people. He knew through diversion and repetition, they would forget.

Through Joseph Goebbels, Hitler reprogrammed a nation to believe lies. Our job is to use the Word of God to recode our brains to believe the truth. Remember, recoding the brain involves a biological change in the gray matter, to the point new neural pathways are created. That is going to require focus and lots of repetition. The end result will be that we actually walk in the truth.

Hopefully, you have been through the mortification process enough that you have mortified the deeds of the body, so you are not committing adultery, fornication, and so forth. The revival is going to come from the inside out, and it is imperative that we present our bodies as living sacrifices, holy unto the Lord for His use. You are the temple of the Holy Ghost, the Shekinah Glory Cloud. Your body is the veil, and inside that veil where the people can't see, is the very presence of God. You are the Holy of Holies with legs. God goes where you go.

God within us wants to save, and heal, and do miracles. But we have to recode our brains so we will cooperate with Him to do the will of the Father.

TI-240918 What Believing Really Is

Jeremiah 33:3 KJV Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.

Believing is re-coding the mind. It is a biological, physical disconnecting of old neuropaths and a reconnecting of new neuropaths.

*Repetition is a major key exactly the same way that you learned the alphabet and the multiplication tables and everything else that you have learned. The process is precisely the same. **This is how you go from unbelief to believing.***

Rewind all the way back to the Words document that I originally gave you. Upon that foundation is how you rebuild your belief system to align with My belief system.

The next series is about incorporating what we have learned about recoding the brain with a single goal in mind. That goal will result in ... Believing Jesus!

TI-250323 How The Kingdom Works

"The kingdom functions the way the king says it does, and not the way you think it does."

Note: More came while in prayer on March 24th:

"My Son described how the kingdom of God functions, in fine detail, while on earth. If you will follow those instructions, you will have success one hundred percent of the time. The kingdom of God is the most efficient operation in the universe. It does not function by guesswork. It functions by spiritual law, which can be relied upon with absolute confidence."

100% of the time. It sounds like first time, every time, no exceptions! I can hardly wait to get into the next series ... Believing Jesus!
