

## **TI240620 The Works Of God Flow Out Of You**

I am not withholding My voice from you, says the Lord. I have provided teaching for you where you can learn to hear My voice. You are already hearing it in many portions of your life. You are hearing Me regarding righteousness and holiness. And you are hearing Me in order to be able to pray in that heavenly language.

Now follow instructions. Become a good student. Come away with Me. Spend time with Me. You will come to the place where you will be hearing My voice so accurately, it will not only astound you ... it will astound those who know you. For you will see the works of God as My Spirit flows from out of you.

You are the temple of God. You are My child and you can hear My voice, says the Lord.
