

Dear Friend,

As we enter the new year of 2025, we are experiencing a window of opportunity from the Lord for massive change in our personal lives, in the United States of America, and in the entire world. For many years, there has been a remnant of people, worldwide, who have been holding onto the promise given by God in this verse:

**2 Chronicles 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.**

The remnant, for the most part, has been doing what the Lord spoke in this verse for years. It seems we have been in a very long season of mortifying the deeds of the body, not only turning from the obvious wicked ways of fornication, greed, and lying ... but also the less easily seen inner motivations of the flesh such as ... desiring the praise of men, envy and jealousy of others, and materialism.

God has been preparing us, the remnant, for such a time as this, because as a whole ... the United States of America, and the other nations of the world, have not repented of their wicked ways, and have not returned to seeking God's face and obeying His voice. As an example, when Roe vs Wade was overturned by the Supreme Court in the USA, did that cause people to stop murdering their babies in the womb? For the most part, the answer is no. Just changing the law did not change the hearts of the people. They simply found other ways of accomplishing the same evil desire as before.

In the Bible, it is easy to see this same pattern in both Israel and Judah during the years leading up to their destruction. Evil kings would rule and establish laws that allowed practices that were an abomination in the sight of God. Then every so often, a righteous king would rule in Judah, and that king would reverse many of the laws of the previous wicked kings, and would tear down the idols and the temples of the false gods they worshipped. But as soon as that righteous king's reign was over, the next king would be another wicked king, and almost immediately the people returned to doing those wicked things that God hated. Why? Because changing the laws of the land did not change the hearts of the people. That pattern caused the nation to eventually be utterly conquered by the enemy.

We have had a regime change regarding the government in America. God is giving us a window of opportunity to change many of the laws of the land back to the righteous ways that please the one true and living God. But changing those laws alone, without a true revival that changes the hearts of the people, will not succeed in turning this nation back to God. We must have REVIVAL NOW ... or the USA is doomed to fall after the same pattern of ancient Israel and Judah.

This is where you and I come in, along with all the remnant worldwide. God is calling for the army prophesied by the prophet Joel to rise up and become the instrument of God to bring true revival, not only to the USA, but to the whole world. We have been given a window of opportunity to be part of the greatest revival the world has ever seen. In order for that to happen,

the remnant is going to have to rise up and take on its true assignment from the Head of the church, the King of Kings, the Lord of Angel Armies ... Jesus Christ!

As I was in a seeking time two days before this most recent Christmas, the Lord began speaking a prophecy through me that gives somewhat of a blueprint of His instruction for Joel's army as we enter this window of opportunity in 2025. At first, I did not know what the Lord wanted me to do with that prophecy. I held it close to my heart at first, only sharing it with Sue and a very few close friends. But then pastor Bronc Flint invited me to speak via a Zoom meeting at his church in Florida on January 5<sup>th</sup>. I instantly knew that I was to share the prophecy with the body of Christ during that service, along with some teaching He had given me about it.

Knowing that many of you receive the monthly letter by way of email, I am going to put a link to that service after my signature below, so you can simply click on it and watch the service on YouTube. If you receive this letter in printed format, you can type the address into your internet browser and go to the message on YouTube by that method. The message has been edited to include only the introduction, the prophecy, and the teaching.

I am also including the prophecy by itself at the end of this letter so you can print it out for yourself. I recommend you read it, study it, and ask the Holy Spirit how you can implement it into your life. For those who have been listening to the "Recoding the Brain" series at our website, use this prophecy to begin recoding your brain so the will of the Lord will actually be accomplished through you. I am doing the same thing myself.

I truly believe THE BEST IS YET TO COME! The Lord is giving us an opportunity to co-labor with Him through the name of Jesus Christ and the power of the Holy Spirit to bring about the greatest revival the world has ever seen. We are on the verge of seeing the greatest harvest of souls in the history of the world. What a time to be alive! Praise God!

Your fellow servant for Christ,

*GARY*

## **TI-241223 The Year Of Believing**

December 23, 2024

The year of believing. The time of wandering and wondering is over. Cross over now into the land of your inheritance. Conquer those few remaining strongholds of unbelief, and possess what is yours. The year of inheritance. The year of obtaining. The year of possessing the land. The year of harvest. The year of manifestation.

Instant miracles. Be expecting instant miracles. Instant manifestations. Be expecting instant manifestations. Allow my bare arm to be manifested in strength through your bodies. I have answered your prayers and I am stretching forth my hand to heal and to do signs and wonders by the name of My Son, Jesus Christ. Hold not back my bare arm through unbelief. Believe!

See and say. See and say. This is how Jesus Christ ministered on earth, and this is how He ministers through you today. See what I am doing and do likewise. Say what I am saying and watch the power flow. See and say. See and say.

Fresh eyes. You shall see more clearly with the eyes of your spirit than ever before. You shall walk in truth as never before. Reality for you is no longer those things seen in the world. Reality for you are those things that exist in the kingdom of God. You shall no longer accept what the natural eyes perceive as being truth. My Word is truth. You shall see with the eyes of Christ within you and shall discern truth as it really is. I have no greater joy than to see My children walk in truth.

Doubt not My Spirit's willingness to manifest truth through Christ in you. See and say. See and say. My Spirit shall perform all My good pleasure as you do so
